

Stay All Night

(In G, Rhythm Changes)

You ought to see my blue eyed Sally,
she live's way down in shin bone alley.
Number on the gate, number on the door,
next house over is a grocery store.

Refrain:

Stay all night, stay a little longer,
Dance all night, dance a little longer.
Pull off your coat and throw it in the corner,
don't see why you don't stay a little longer.

Can't get home if you're going by the mill,
'cause the bridge washed out at the bottom of the hill.
Big creek's up and the big creek's level,
Plow my corn with a double shovel.

Refrain

Settin' in the window, singin' to my love,
Slop bucket fell from window up above.
Mule and grasshopper eatin' ice cream,
Mule got sick and we laid him on a beam.
